A real ranch home!

Originally surrounded by a 100 acre ranch and lake, this beautiful home was hand built by Ozzie Steinbrenner using wood milled from his lumber yard. The front entry /office and living room have plank floors and one of a kind wood laid ceiling and stone fire place. The home sits atop of a slight rise on a corner of a cul-de-sac with a large (.55acre) lot for those considering a possible lot split? Be the third owner of this historic treasure today!
