This brand new custom built home in the heart of East Sacramento brings together the traditional Tudor style with one of a kind craftsmanship. The details begin with the brick exterior detailing and large windows for natural light. The Tudor style continues throughout the interior with 16' high vaulted ceilings with beam detailing. An open concept floor plan allows for exceptional entertaining with a chef's kitchen that is all centered around the focal island accented in a blue-grey granite with a one of a kind designed light fixture. High end cabinetry finished in dove grey with oil rubbed bronze hardware along with JennAir top of the line stainless steel appliances and light quartz counters make this a signature of the home. A private master suite with a spa finished bathroom that includes dual sinks, sunken tub, separate shower and walk-in closet with built in cabinetry is tucked privately in the back of the home. The long expansive driveway ...
