A concrete driveway leads up to this 4 bedroom 1 ¾ bath home in the heart of Northridge. With 1,500 square feet it offers up a roomy kitchen with plenty of cupboard space and an attached dining area. The focal point of the spacious living room is the fireplace, creating a cozy feeling on a chilly night. Just off the living room is a step down enclosed patio that provides additional living space. In the backyard there is a large building with a rustic feel that matches the landscape and as an added bonus it is conveniently located to CSUN, shopping, public transportation and the freeways.

- Spacious living room
- Enclosed patio
