Just what you have been waiting for. A turn key home, nothing to do but move in. Original owners lovingly cared for this handicapped accessible home with 2,846 square feet of living space. A concrete driveway gives way to a used brick front porch where you can sit and watch the world go by. Step inside and the spacious living room offers up a beautiful custom fireplace and recessed lighting with French sliders leading out to a large enclosed sun room. The master bedroom ensuite includes a handicap accessible bathroom with tub, roll-in shower and dual sinks. 2 more bathrooms provide for the other 3 bedrooms which have ceiling fans, recessed lighting and mirrored closet doors. The eat-in kitchen with tile floors and counters is neat as a pin and there is a formal dining room. As an added bonus you have an additional room that could be an office, work-out room, playroom. You decide. Additional features include a cement tile roof, copper plumbing, dual paned windows, c...
