Ingenious design blends brilliantly with architectural significance in this 3Bed/3bath Mid Century Modern work of art in a prime Pasadena location central to everything! Originally envisioned by revered architect Paul Haynes, known for his work on the Huntington Hospital, among other notable projects, this stunning property has been brought back to life with expert craftsmanship and inspiration. Featuring clean lines, generously sized windows and custom finishes throughout, warmth and natural light abound throughout the ideal floor plan. The bright, open concept kitchen has been thoughtfully designed for the serious chef and boasts top of the line stainless steel appliances, a spacious island and overlooks an open living room adorned by a dramatic marble fireplace and temperature controlled wine room. Upstairs, the master retreat awaits featuring a spa-like bath and secluded balcony overlooking the private sparkling pool and lounge areas. The backyard is your own personal...
