Slide 2452201

Create new memories in this beautifully restored home with architectural elements and attention to details. This home has a kitchen and a master suite on each level. The foyer welcomes you in and opens to the beautiful staircase containing the original character of the home, the stonework to the living room fireplace is exposed half way up the staircase creating a exceptional uniqueness. The master on the upper level has a huge fireplace with a master bath complete with soaking tub, glass shower, and separate toilet area. The master on the main level provides lots of space, along with a very large walk in closet. Brand new gourmet kitchens are complete with top of the line stainless appliances, quartz countertops and custom cabinets and on the main level you will find a separate grand dining room ready to entertain your family, Over 4,700 square feet to call home or with so much space you already have the perfect B&B (bed & breakfast) next to a bubbling peaceful cre...
