If you've been patiently waiting for the perfect home to come on the market, your search is over. Located in the private and elegant neighborhood of Villa D'Este of Deer Creek, this extraordinarily high-quality home has four bedrooms, three baths and two living areas. The home has been completely updated with wood floors, granite countertops and wood kitchen cabinets. A new roof was put on in 2007, two new air conditioners were installed in 2005 and 2006 and kitchen appliances replaced in 2005. Golf and tennis amenities are just around the corner.

The price is only \$625,000. With the economy seeming to be on the mend and interest rates at a historical low, this may be your chance to snag a quality home at a great price.
