Outstanding all brick home in beautiful Queens Lake. They just don't build them like this anymore. It has an extra large kitchen which fits a full size table. It's equipped with heavy duty wood cabinets and beautiful real hardwood floors. There is a sunroom off of the kitchen that overlooks the triple deck that leads to the 1.12 acre private wooded yard. Two fire places, one is all brick, a must see! It was built by a true craftsman. The second fireplace is in the formal living room. Both rooms are over sized. There is also a private office off the foyer along with a powder room. The dining room overlooks the beautiful private wooded back yard. Upstairs you have 4 bedrooms. The master bedroom is extra large. You can fit a king size bed, three dressers and still have room to put a seating area. Don't forget the unfinished basement & workshop below. Queens Lake has a marina, boat slips, 2 pools, 3 tennis courts, a softball diamond, playground and Clubhouse.
