A custom built Mediterranean villa north of Wilshire offers grand luxury on university streets, just blocks off of Montana Avenue in Santa Monica. Through the oversized front doors, a grand light filled foyer welcomes you. A modern open floor plan that boasts a large formal sun drenched living room and an elegant super sized dining room are just a few of the many features this great family home has to offer. There is also a large office/5th bedroom downstairs. A great family room that opens to the backyard is just off the gourmet kitchen that hosts granite counters, stainless steel appliances, custom cabinets, and a mini bar for entertaining. Upstairs there are four spacious bedroom suites all with their own private bathrooms and balconies. Vaulted ceilings, a custom fireplace, his and her walk-in-closets and an extra large stone bathroom that features a great soaking tub highlight the grand master suite. Outside you will find an oversized lot with a two-car garage and alley access....
