Nestled above a serene, woodsy street in prime hillside Silver Lake, this beautifully updated home is light, bright, with great outdoor living spaces and a garden. Hillside and canyon views from almost every room of this 2-story contemporary, previously used as a duplex (zoned LAR2 - buyer to verify with City). Currently it's a single family home.

Level one has an oversized family room w/a small kitchen, fireplace and a large walk-out deck. This level also has one of the 2 master bedrooms in this home and a smaller room that is great for a studio or office. Top level is bright, w/cathedral ceilings and open floor plan living, dining and kitchen, 2 balconies with views. The 2nd master bedroom and bath, an additional bedroom, bath, laundry room. The private back yard is accessed directly from this level and ideal for entertaining. A walk up to a 2-tiered garden with vegetable beds and panoramic views lets you escape to the South of France.
