The awesome total turn key Boca Raton pool house, is a real gem. Total renovation completed in late 2011, the home is spotless throughout. Stunning in elegance of features and fixtures, this home is a true post modern picture of space and light and comfort. This is the type of home that slides off the magazine covers of Boca Home magazine.

Very spacious large master bathroom, with luxury private bathroom. Brand new kitchen, Flooring, layout, bathrooms, and more. Big two car garage with room for storage. Back yard, side yard, and carport.

All this looking onto the beautiful pool and yard. This house is located in a great convenience location, in that great Camino Gardens neighborhood.
