Beautiful home in Three Lakes with amazing finished walkout basement. Approximately 4500 SF of finished living space on 1.8 acres, one of the largest lots in Three Lakes. Over \$200,000 in upgrades have been added in the past few years. The kitchen features all new marble countertops, all new stainless steel appliances and new stone backsplash. The walk in pantry is spacious enough to accommodate an additional full size refrigerator. The family room and adjoining sitting room are the centerpiece of the main living space, featuring vaulted ceiling, floor to ceiling windows and a gas log fireplace encased in 200 year old barn wood. The family room looks out over the paver patio and offers amazing sunset views. All of the windows have 3M UV protectant treatment for energy efficiency. Beautiful newly installed Hickory floors throughout levels one and two, including the Yoga/Workout room off the garage. The walkout basement is gorgeous and is the perfect in-law arrangement. The same cabi...
