Timeless and tasteful fully furnished 2-story Single Family home with 4 beautiful bedrooms and 3 bathrooms in the lovely and quiet San Michelle subdivision. This bright home offers a living area with soothing natural light, minimalist design, blue palette and the greenery in the corners give it a clean feel that's totally inviting. It opens up to the simple dining area in the same color palette with a blue painting that makes you feel right where you should be. It has a light and airy kitchen with stainless steel appliances, white kitchen island, walls, and cabinetry. Relax and enjoy in the backyard with a mini golf course. This charming home is perfect for great households .

- Soothing natural light
- Minimalist design
- Blue palette
