Looking for a new home? This wonderful residence situated on a corner lot is waiting for you! Engulfed by a mature landscape of lush grass and shade trees, this home exudes a peaceful & settled atmosphere. Starting at the front patio - a perfect spot for quiet morning coffee. The property boasts 4 bedrooms and 4 bathrooms, along with a convenient two-car garage. Discover the inviting interior, a testament to timeless design and functionality! The formal living and dining rooms radiate a sense of warmth with a wood-burning fireplace that shares a single chimney. The kitchen has SS appliances, granite counters, mosaic tile backsplash, and ample cabinetry with wine rack. The primary bedroom features two closets and a private bathroom, promising comfort & tranquility. Completing the main level are two additional bedrooms, two bathrooms, and a practical laundry room. You'll love the neutral paint, abundant natural light, and wood flooring that enhance the aesthetic appeal...

- Wood-look Flooring
- Granite Countertops
- Fireplace
- Storage Sheds
