Incredible 3-bedroom property in desirable central Phoenix location is now on the market! Displaying a sizable front yard, a 2-car garage w/an extended driveway, & a delightful front porch. Captivating interior impresses you w/soaring ceilings, neutral palette, recessed lighting t/out, plantation shutters, a media niche, & a striking accent wall w/a cozy fireplace in the generously-sized living room. Enjoy a feast in the formal dining room w/chic light fixtures! Remarkable kitchen includes SS appliances, skylights, beautiful crown molding cabinetry, gleaming granite counters, tile backsplash, an island w/a breakfast bar, & French doors to the back patio. Make the bonus room w/outdoor access into a private home office or hobby space.

Oversized main suite has plush carpeting, a sitting room w/backyard access, a full bathroom w/dual sinks, a step-in glass shower, & a walk-in closet. The private backyard has a full-length covered patio, perfect for relaxation. O...
