2811 SESAME DR, LAS VEGAS, NV 89142

Look no further! This Energy-efficient, Solar Home w/no neighbors in the back is the one! The front door opens up to a welcoming interior that highlights a HUGE living/dining room, upgraded floors, a designer palette, a chic modern chandelier, & vaulted ceilings. Creating an bright & grandeur atmosphere in your open floor plan. Adjacent to the main living area is the impeccable eat-in kitchen boasting white cabinetry, subway tile backsplash, track lighting, quartz counters, Stainless steel appliances, and a breakfast bar for a perfect morning. Bathrooms have been beautifully designed with upgraded modern finishes. Take advantage of the split-type bedroom and the Jack & Jill bathroom upstairs. All bedrooms are provided with soft carpeting for added warmth & comfort underfoot. The large backyard is perfect for dining or entertainin...

- Vaulted Ceilings
