What a GEM! Nestled atop a picturesque mountain ridge, discover this wonderful home that offers panoramic vistas of majestic peaks and lush trees. Inside, abundant living spaces seamlessly blend comfort with style. The open floor layout showcases durable wood-look flooring, complemented by tasteful recessed and decorative lighting. The living room becomes a haven of warmth, crowned by a snug fireplace, perfect for chilly mountain evenings. Intimate gatherings will be a delight in the perfectly sized family room. The heart of the house, the kitchen, is fitted with stainless steel appliances, butcher block counters, mosaic tile backsplash, and ample cabinetry. Gracing the home, Andersen windows frame the outside beauty! With three large bedrooms— one on the main level and two in the basement—accommodation is both generous & versatile. The main retreat highlights carpeting underfoot and a rustic private bathroom with wooden panel walls, dual sinks, and a separate tub and ...
