STUNNING MOUNTAIN RETREAT Completely remodeled 3 bdrm/2.5 bath cul-de-sac home with gorgeous lake & mountain views! The FABULOUS open floor plan is highlighted by soaring ceilings, vinyl plank flooring and a striking stone fireplace. The IMPRESSIVE kitchen boasts quartz counters w/matching backsplash, BOSCH appliances, beverage fridge plus a huge island w/breakfast bar. The open den is perfect for an office, playroom or formal dining area. The LUXURIOUS primary bedroom offers balcony access & an ensuite w/dual sinks, a deep free standing tub, custom tile shower, & a walk-in closet. The secondary bedrooms have additional privacy with custom barn doors separating them from the main living area. The SERENE back deck is perfect to enjoy your morning coffee or a BBQ with family & friends!

- Cul-de-Sac Home
- Mountain Views
- Quartz Countertops
