Pride of ownership shows in this lovely 3 bedroom 2.5 bath home. From the beautiful interior to the outdoor extended covered travertine patio, it is easy to feel at home. The home has been well maintained and has a workshop space in the garage with utility door to yard. An area has been paved just outside the gate. A split floor plan, The kitchen boasts granite counters, stainless appliances and a large island for gathering. A dining area and open concept to the family room makes this house a home! North Copper Canyon Community offers a park, community pool, walking paths and more.

- Split Floor Plan
- Granite Countertops
- Stainless Steel Appliances
- Community Pool
