Looking for a planet fit for a God. The Roman God of the Sea, Neptune was famous for being ill-tempered and violent and liked the ladies. So come buy Neptune and live like a God.

Neptune is the eighth and farthest planet from the Sun. It is the fourth-largest planet in the Solar System by diameter, the third-most-massive planet, and the densest giant planet. It is 17 times the mass of Earth, and slightly more massive than its near-twin Uranus.

Its vivid blue color is attributed to the presence of methane in its atmosphere, which absorbs red light and reflects the blue spectrum, creating a mesmerizing celestial palette.

This frigid giant is enveloped by fierce winds, featuring some of the fastest atmospheric currents in the solar system, with speeds reaching up to 2,100 kilometers per hour. Neptune is orbited by a diverse array of rings and a retinue of 14 known moons, the largest of which is Triton. Triton stands ou...
