Unique and unmatched, 8260 E Kalil can be described as the perfect blend of style, sophistication, and comfort. This meticulously remodeled home in the heart of Scottsdale spans just over 4,000 sqft and offers a split floor plan: the west wing a luxurious primary suite complete with an attached office and a enviable spa-like bath amenities; the east wing feature 3 guest suites with attached baths with glass showers. The FLW-inspired stained glass entry leads to an expansive great room of soaring ceilings and exposed beams. A masterful chefs kitchen lies adjacent with custom cabinetry, KitchenAid Cafe appliances, and counter seating for eight. Sliding doors open to unobstructed golf course and mountain views and an immaculate back yard with built-in propane fire pit, heated pool and spa.

The kitchen is straight out of a magazine, with white cabinetry, granite counters, stainless steel appliances including wall ovens, a convenient peninsula with a breakfast bar, and a generou...
