Cute home nestled in the established neighborhood of Stetson Hills. This home sits on the corner of a large lot that is sure to impress. Enter the great room to find an open and bright space with vaulted ceilings. Dine at the table or enjoy a seat at the bar while overlooking the kitchen, which hosts stainless steel appliances, pantry and a beautiful stained-glass door to the backyard. Down the hallway you'll find two secondary bedrooms, bathroom and laundry room. You'll come to the primary bedroom that is large enough for bedroom furniture, a rocker, sliding glass door to the backyard and more! You'll be thrilled to see the size of the walk-in closet! Wait until you see the backyard!! You'll first notice the amazing Tipu shade tree and then you'll realize you're in the middle of something pretty special.
