Elevate your single-level living experience in this outstanding property in the esteemed Johnson Ranch! This beauty flaunts striking stone accents, a large front yard, a 3-car garage, an RV gate, & extended driveway. Discover a spacious great room & a separate dining room. The home's elegance is evident w/soaring vaulted ceilings, classic & wood-plank tile flooring, plantation shutters, ceiling fans, & charming light fixtures. The chef's kitchen is fully equipped w/granite counters, a granite tile backsplash, a wine rack, a breakfast nook, & an island w/a breakfast bar. A plethora of wood cabinetry w/crown molding & a walk-in pantry ensures ample storage space. Double doors open to a carpeted den, ideal for a home office.

You'll love the main suite that highlights a sitting area with backyard access, a full bathroom & walk-in closet. Secondary bedrooms enjoy a Jack & Jill bathroom! The 3rd bathroom is conveniently located off the hallway. The...
