Once upon a time...

This equestrian property offers a private haven situated on 14+ acres, only 25 miles from Boston. Surrounded on three sides by conservation land, it provides a serene, fairy-tale setting. The contemporary style home, built in 1984, offers modern living, lots of light and bucolic views from all sides. An open floor plan allows for many possibilities; it includes an updated kitchen, first floor office (or bedroom), full bath, formal dining room, and a living room with cathedral ceiling and woodstove. A cozy family room - with fireplace - opens to the sunroom and the deck overlooking the back fields and barn. Upstairs you will find three bedrooms and two full baths. A primary suite includes walk-in closet and luxurious bath with jetted tub.

A finished lower level gives even more space, with two additional rooms, a wet bar and full bath.
