Rare chance to own this incredible two-story residence on a tranquil cul-de-sac now for sale! With 5 beds, 3 baths, & a 2-car garage, this gem tastefully blends comfort & convenience. Discover a bright living room & a cozy family room boasting a media niche & plush carpets. The home exudes charm with its tall ceilings, soothing palette, graceful archways, ceiling fans, & tile flooring in high-traffic areas. Spotless eat-in kitchen is a homemaker's dream, including built-in appliances, recessed lighting, honey oak wood cabinetry, tile counters, & a breakfast bar. Ascend to the upper level & find a primary bedroom perfect for a retreat! It highlights a walk-in closet, an immaculate full bathroom with dual sinks, a separate tub, & a step-in glass shower. The home's elegance extends outdoors to the massive backyard with a covered patio, trees, dreamy mountain views, and lots of space for fun activities! Property has an excellent location. Take ad...

- Cul-De-Sac
- High Ceilings
