This lovely 4-bedroom property is the one! It offers a 2-car garage, solar panels (pre-paid until 2035!), a pool w/heater and a brand new AC unit. Experience an open layout with tall ceilings, charming light fixtures, and a trending color scheme, all set on tile flooring. The kitchen is a cook's delight, equipped with rich wood shaker cabinets, a chic mosaic tile backsplash, enough counter space for meal preparation, a convenient pantry, and a cozy breakfast bar. Retreat to the main bedroom, featuring wood-style flooring, a private bathroom, and a walk-in closet. The perfectly sized backyard is an oasis with a covered patio, a refreshing spool pool, and a built-in BBQ, perfect for entertaining or tranquil relaxation.
