Meticulously appointed and cared for ~ step into a home on a prime lot adjacent to the 15th hole of the Victory Course that benefits from designer's eye and brings you into the lifestyle you've imagined for the celebration years! Tiger Mountain views from an extended travertine patio overlooking a walking path are best enjoyed with a glass of wine (or bourbon!) by the fire pit! A contemporary palette is complemented by plantation shutters throughout, and an extended 16-ft slider provides a seamless transition from indoor to outdoor space from the main living space. A gourmet kitchen with soft-close cabinets and drawers, stainless appliances, and quartz countertops makes entertaining a breeze as friends and neighbors move easily throughout the great room area.

The office/den features custom built-ins and floating shelves to maximize space. The ensuite primary bedroom, bath & walk-in closet are generously-sized and offer mountain views in addition to a zero-entry shower...
