Beautiful Waterfront Home in Virginia

Nestled on a beautifully landscaped homesite, overlooking a deep creek off the Chesapeake Bay, this home offers great living space and wonderful water views. Custom built and architecturally designed, the home is comfortable and elegant. Enter the foyer to immediately see the water through full height Andersen windows that bring the outdoors inside. The spacious great room has a wood burning, brick fireplace, high ceiling, and access to a wide deck, the length of the home. The kitchen is designed for entertaining with a large dining area overlooking the water and ample cabinet space, granite counter tops and wine rack. Kitchen appliances include a Sub-Zero refrigerator, Wolf Electric cooktop, dishwasher and built-in microwave and oven. The screened porch is located off the kitchen and is easily accessible for guests....
