This exquisite 4-bed, 3-bath home is a haven waiting for you! While the house itself is undeniably stunning, it's the backyard that truly steals the show & beckons you to live in perfection! Sitting under your full covered patio or in your pebble tec pool will bring the relaxation you are longing for. Step back through your french doors to enjoy your remodeled kitchen, beautiful wood-plank style floors & plantations shutters throughout! The bedroom and full bath downstairs is great for guests. Upstairs you will find an enormous loft area big enough for almost anything you like! You are minutes from fantastic shopping, freeways, & even the TSMC plant! You will love how well taken care of this home is. Take a look and fall in love!
