Stunning residence nestled on over 1 acre of land in Quintana Hills is a dream come true! A spacious 3-car garage & an RV gate will greet you upon arrival. Fall in love w/an exquisite open layout showcasing gleaming wood-look tile floor, fresh soothing palette, plantation shutters, & dazzling light fixtures. The gorgeous chef's kitchen boasts white shaker cabinets accentuated by crown moulding, a walk-in pantry, quartz counters, sparkling SS appliances, a wall oven, stylish tile backsplash, & an island w/a breakfast bar. The main retreat features a lavish ensuite w/dual sinks, a delightful soaking tub, & a walk-in closet. Discover the oversized backyard offering a covered patio, mesmerizing mountain views, & potential for adding your personal touch! Don't let this rare gem pass you by!

- RV Gate
- Plantation Shutters
- Quartz Countertops
- SS Appliances
