Move in ready and just minutes from the best dining in the highly desirable Moon Valley area and Moon Valley Country Club! This home has been fully remodeled top to bottom, including a new roof, newly resurfaced pool and new pool equipment. There is a detached guest house with a full kitchen and a washer and dryer, making this home the obvious choice for anyone needing space for multi-generational living, out of town guests, a rental property, home office or pool house. Upon entering, you will be welcomed by a vaulted ceiling, exposed beams and an oversized glass slider for natural light. Your living room features an electric fireplace and gorgeous mountain views. The kitchen is both beautiful and functional, with an impressive waterfall island and oversized gas range. This home offers a split floor plan so that your primary suite feels truly private. The primary bedroom features exposed beams, a walk-in closet and a door to your backyard. The en-suite boasts an extended va...
