Coming Soon!! Almost 2400 square feet of living space. One large bedroom above the garage is perfect for a private rental, next to the laundry and off the right of the kitchen. The rest of the home is ideal for a growing family, with a large open kitchen and dining room. Front entry opens to an open large living room, with a den, perfectly outfitted for a large home office. Three additional bedrooms on the north side of the home. The backyard has pavers to compliment the fantastic pool and peaceful backyard. This will not last. Be in your home before the heat hits to relax in your new pool! The seller has already completed a FULL inspection. Call me for details on how to get your FREE appraisal and \$1000 guaranteed close!!!
