Home, sweet home! A blend of comfort and convenience awaits you in this charming residence in the heart of Arvada. Featuring 3 beds, 2 baths, grassy landscape w/mature trees, and a 2-car garage w/storage area. The welcoming interior is filled with abundant natural light, complemented by a neutral palette and wood-look flooring in the main level. If entertaining is on your mind, you'll surely love this perfectly flowing open layout! The spotless kitchen has SS appliances, granite counters, mosaic tile backsplash, ample white cabinetry, and recessed lighting. Two bedrooms are located on the main level, with one offering direct access to the back. Let's not forget the carpeted basement, revealing its cozy and versatile character! A spacious bonus room, with a fireplace, provides a multifunctional space that can be adapted to various needs. Accompanying this space is an additional bedroom, a bathroom, and a sizable laundry room with cabinetry & shelving. Check out the large...
