Explore this enchanting two-story home, located on a premium corner lot in the highly sought-after Community of Highpoint at DIA! This incredible property features striking brickwork, a lush front yard, and a cozy porch that provides the perfect spot for your morning cup of coffee. Discover a spacious living room, tall ceilings, a calming color scheme, chic light fixtures, and wood-plank tile flooring. The heart of this home is the eat-in kitchen, which comes fully equipped with ample counter space, a mosaic tile backsplash, pantries, an island with a breakfast bar, and plenty of white cabinetry with crown molding. Ascend to the upper level to find a generous loft with plush carpeting, ideal for a family room. The main bedroom is a peaceful retreat, highlighting a soft carpet and a full bathroom for added comfort. In the finished basement, you'll find a versatile open layout filled with recessed and track lighting and a kitchenette with a breakfast bar. The 2-car garage has...

- Prime Location
- Wood-Plank Tile Flooring
- Crown Moulding
- Ample Counter Space
