Spectacular 4-bedroom home in Terra Vista with all the bells and whistles is now on the market! This beauty offers an excellent curb appeal with a manicured landscape, a 3-car garage, an extended driveway, and an RV gate. Discover a split floor plan featuring a large living room made bright & airy by soaring ceilings, a formal dining room with custom palette, bountiful natural light, and stylish light fixtures throughout. Understated elegance & subtle modernity seamlessly mix in this magazine-cover kitchen showcasing white shaker cabinets, gold fixtures, ceiling-to-counter tile backsplash, granite countertops, stainless steel appliances, a pot faucet over the range, and a massive contrasting black island.

The oversized family room boasts convenience and comfort with its wall-mounted fireplace and sliding glass doors to the backyard. The versatile den serves as a multi-propose room that fits your needs. The owner's suite provides a private retreat with luxurious attr...
