Great opportunity to purchase a single level home in the Bridges community. This spacious home comes with five bedrooms and 3 bathrooms. This layout spaces the five bedrooms throughout the house in a way that can fit many needs whether you need extra bedrooms, guest rooms, office space or just want a designated play room. You will notice the open floor plan into the kitchen and living room as you enter. The backyard is North/South facing and has been done with pavers, turf and desert landscape. The backyard is a nice space to relax early morning or in the evening and will not require work to maintain.

- Granite Countertops
- Vaulted Ceilings
- Covered Patio
