Waves Hand in a JEDI Fashion This is the house that you are looking for! Featuring 3 living quarters for whatever your situation requires. A large living room perfect for watching your favorite Trilogies, main floor bathroom, kitchen with a rolling island, newer stove/oven, new dishwasher, and newly mounted microwave. There's also a brand-new water heater. The outside sewer lines and roof were recently replaced by the HOA. Bathroom in the Primary Bedroom and walk-in closet make the living quarters perfect for any "Jedi Knight" or "Sith Lord" to slumber peacefully and dream about protecting or conquering the galaxy! Your "Padawans" will enjoy their own living quarters as well with another full bath upstairs. Now for training, the eating space is perfect for hosting small gatherings or decompressing from training and flying. Future "X-Wing Pilots" will enjoy training out the front door in a park/playground that leads to the extra large community pool with depths as much as ...
