Discover a semi-open layout which perfectly balances privacy and connectivity! The dining area features a built-in hutch and a bay window. Vaulted ceilings add to the airy feel, complemented by exposed beams, tons of natural lighting, and wood-look flooring in all the right places. The kitchen has SS appliances, a buffet cabinet, and ample wood cabinetry. Main bedroom has a private bathroom for added comfort. For added functionality, you have a carpeted bonus room just off the porch. An additional perk is the separate storage room with built-ins, providing ample organizational space. Newer AC and roof!

New HVAC was installed in 2019 and roof replaced recently.
