Turn-Key! This popular Heritage model home is open, light, & bright and is being offered in a quiet location of the award-winning golf course resort community of PebbleCreek. Desirable open concept living with vaulted ceilings and many large windows throughout create a spacious feel and give an abundance of natural light. The kitchen has stainless steel appliances, plenty of storage with extra cabinetry, quartz countertops, and an island. The dining area is large and can accommodate a full-size dining table. Beautiful porcelain wood-plank tile still looks new and gives all the living spaces a clean modern look. There are 2 large bedrooms, and the den can be used as another guest room. The master bedroom has an en suite bath with double sinks, a large shower, a large soaking tub, and a good-sized walk-in closet. The second bedroom is large and has a walk-in closet. The backyard is low-maintenance and completely fenced for privacy and /or protection for your favorite fami...
