Beautiful pool in prime location! This energy-efficient 4-bedroom home promises a delightful living experience! Lovely façade displays a 3-car garage, mature landscape, and gated courtyard. Enter through the custom double doors to discover a welcoming living room, formal dining room, and a large family room complemented by a floor-to-ceiling brick fireplace. Inviting foyer, archways, tile & carpet flooring, plantation shutters, designer paint, and vaulted ceilings are attributes that can't be left unsaid. The kitchen provides stainless steel appliances, granite counters, a bay window, plenty of cabinets and cupboards with crown molding, and a peninsula that adds to the counter space. Bright main retreat will impress you, complete with outdoor access, a private ensuite with dual sinks! Continue onto the wonderful backyard featuring a covered patio, pergola, storage shed, and a refreshing pool perfect for warm summer days. This beauty is the one you're lookin...

- Gated Courtyard
- Brick Fireplace
