This is it! Move into this adorable single-level home in Phoenix! This value offers carport parking, an RV gate, and a private courtyard. Inside, you'll discover the bright living room paired with high vaulted ceilings, tile flooring in all the right places, and neutral paint throughout. Your dining experience is made memorable, complemented by a fireplace that adds a warm touch to the room! The kitchen has track lighting, built-in appliances, plenty of cabinets, and a pantry. Take a look at the primary bedroom, equipped with a walk-in closet and a bathroom with a step-in shower. The generously sized backyard includes a covered patio and a built-in BBQ. Don't let this fantastic property escape!

- RV Gate
- Fireplace
- Covered Patio
- Dual Pane Windows
