Welcome to the sought-after Stepping Stone community, where this beautiful Shea built home is located! Stunning views from the main and upper levels of the home. The open space and mountain views make this home a standout in the neighborhood! Fantastic curb appeal highlighted by stone accents. Some of this homes home's amazing features include plantation shutters through the main floor, stainless steel appliances and a gas stove. Light, bright and spacious open floor plan! The impressive kitchen boasts slab granite counters, ample cabinetry with crown molding, and a large island. Adding to the home's functionality, the main level has a private office space that can easily be converted to a fourth bedroom. Upstairs, the cozy loft awaits! It is a versatile space that can be a TV area, office, secondary living room, playroom or anything you can imagine. The primary bedroom offers a functional barn door that opens to the ensuite with dual sinks and a walk-in closet. A notable ...
