Introducing this adorable 4-bedroom home in Santolina South Mountain Community! Featuring a 3-car tandem garage with attached cabinets, RV gate, and mature landscape. Inside, an inviting hallway leads to the bright & large open floor plan paired with wood-look tile flooring, neutral paint, and sliding glass doors to the back patio. Impeccable kitchen displays recessed & pendant lighting, stylish tile backsplash, a pantry, stainless steel appliances, ample cabinetry with crown moulding, granite counters, and a practical island with a breakfast bar. You'll love the serene primary retreat equipped with plush carpet, walk-in closets, and an ensuite with dual sinks. Spacious backyard has a covered patio, perfect for unwinding after an exhausting day. Don't miss out on this amazing abode!

- Community Playground
- Wood-look Flooring
- Granite Countertops
- SS Appliances
