Seller is helping with \$5,000! Delightful single-story residence with an excellent location has been fully remodeled inside & out, from top to bottom! This beauty offers a large front yard, a 1-car garage, and a porch. The immaculately renewed interior boasts a custom color palette, new wood-look flooring, and a bright living room with an accented wall. The eat-in kitchen is the heart of the home, equipped with granite counters, white shaker cabinetry with crown molding, and stylish tile backsplash. Discover a bonus room ideal for a family room or a hobby space! The primary bedroom has two closets, and a pristine bathroom with high-end details & a floor-to-ceiling tiled shower. The spacious backyard with a storage shed has enough room for a pool and endless entertaining. Don't miss out!

- Wood-look Flooring
- Granite Countertops
