This one of a kind home sits atop Lilley Mountain in Yosemite Lakes Park, located above the valley fog line in the foothills of the Sierra Mountains in Central California. This home site was hand-picked by the original developer of Yosemite Lakes Park for its panoramic views of the valley below and mountains beyond. The hexagon shaped home was specifically designed to incorporate the panoramic views, featuring a huge 1200 SF Great Room with dramatic high ceilings and a series of 8' wide picture windows to capture the 180 degree views. Outside, an attached 1500 SF deck wraps around four sides of the hexagon shaped home. This huge deck was designed to maximize the spectacular views while providing lots of room for relaxing, entertaining, and using the built-in spa. Whether you are looking for a vacation home or full-time residence, you will enjoy the quiet, natural beauty of this property, as well as many wonderful experiences that are just a...
