Immaculate mid-century home, first time on the market since constructed in 1958!
Per the sellers, the home has original hardwood floors beneath the carpeting that has never seen the light of day and they have never used the fireplace! As you can tell from the pictures, the brick is in perfect condition. There are 3 bedrooms upstairs, two are quite large and one is perfect for a child's room or office. There is 1 bath upstairs and a half bath (permits unknown) on the lower level which also has very tall ceilings providing expansion potential. 2 car side by side parking in the garage and plenty of storage space. There is a charming yard in the back of the home with space to entertain and to plant your garden.

- 3 Bedroom
- 1.5 Baths
- First time on the market in over 50 years!
