This lovely, single-level Bel Air Knolls home was meticulously remodeled inside and out in an elegant, Shaker-influenced style.

Designed by John Dempsey and masterfully remodeled by John and his dad Jack, they took a tired, plain, ranch-style home and transformed it into a beautiful showcase. The project took about four months to complete with the two of them doing the majority of the work.

Please click on the Documents tab above to see a list of improvements, materials used, and features, as well as a detailed description of this lovely home.

SOLD, AUGUST 2013

With a personalized and extensive marketing plan, the home sold at full price in just three weeks (and was listed higher than originally planned).
