A contemporary green design estate on 2.4 acre with a detached 1 bdrm/1 bath casita with a full kitchen and living area. The home is constructed with efficiency in mind: 12' insulated concrete poured walls (ICF block), low-E Pella windows & sliding doors, N/S exposure and expansive mountain views. Garage is 1400 square feet for toys and storage. Kitchen is contemporary with plenty of cabinet and counter space. 48" double oven range and a generously sized island for eat in casual dining. The layout lends itself to casual living and the ability to entertain and gather with ease and grace. The homes always allows for light to filter in and creates a bright and airy space. Open the double sliding glass doors in the great room and allow for the extension of the interior living to the great outdoor.

- Workout room could be 5th bedroom
- Detached 1 bedroom/1 bath casita with a full kitchen and living area.
- Contemporary Construction and Design
