This is an amazing, pristine, North Napa home, located in one of the most popular areas of Napa. An entertainers paradise, or a private retreat with tranquil flagstone patios with the soothing sound of the fountain. Lush mature trees and garden surround you as you lounge beneath the large covered patio. The home truly shows pride of ownership. Impeccably maintained. The floor plan flows perfectly with high ceilings and plenty of light. The kitchen has a large island, pantry and plenty of cabinets. Double oven and Bosch 5 burner cooktop. The master suite is huge with expansive walk-in closet, double vanity, and both tub and large stall shower. There is also the 3 car garage and side access with room for RV, this is a home with the space to truly live!
