Built by designer Robert Lee of LindLee Design Build, this striking home is a jewel, nestled in the heart of one of San Antonio's most desired neighborhoods. Streamlined and functional, it offers everything today's buyer wants: open concept living, plenty of indoor / outdoor living space, high touch finishes, large windows, energy efficiency, and plenty of storage! The home boasts an open and airy floor plan, featuring 9' first floor ceilings with lots of light that reflects off the beautiful stained concrete flooring.

With stylish lap siding, architectural shingle roofing, standing seam metal, and exposed wood beams, it pairs contemporary elements with traditional flavor and adds an elegant accent to its beautiful neighborhood surround. Complementing the existing mature trees already speckled around the property, a new grass lawn will hem front, side, ...
